As a group, submit a report on your progress so far. Your paper should be done by this point (with the exception perhaps of some minor revisions.)

Make sure you answering the following questions in your report. Include this sheet as a coversheet.

1. Are there any sections/topics included in your original project plan that remain for you to work through, discuss as a group, and synthesize?
2. **Paper Draft** What sections/topics have you written about? Are there any additional sections/topics that you are planning on including? How many pages do you have, total?
3. **Paper Revisions** What parts of your paper have you proofread and revised for spelling/grammar/mechanics? Have you reread the paper as a whole, to see how you can make it more coherent, more clear, and more compelling? Have you put together a bibliography for your paper, including any outside sources you consulted?
4. **Presentation/Activity** How are your preparations for your presentation/activity coming? Have you determined what material to include? Have you determined how to structure the time (talking, visuals, activities) to maximize your classmates' learning? Have you timed yourself giving the presentation yet?
5. Based on your progress, would you like to make any changes to the project plan (from March 14)?
6. Would you like to meet with me to discuss (a) your topic (b) your paper or (c) your presentation?
