

## Objectives:

- Articulate your main take-aways and questions from your preparation for class.

## Instructions:

After reading, taking notes, and watching the videos (if assigned), write a journal entry, using one of the two format options below.

### Format Option #1: "Four, Three, Two, One"

- **Four** key words or phrases you read or heard.
  - Simply list the words or phrases.
- **Three** key ideas you read or heard.
  - Explain each key idea using one or more complete sentences.
- **Two** specific questions you have about the subject.
  - Points of clarification, confusion, or curiosity.
- **One** overall reaction or response to the reading and videos.
  - Most interesting part, most helpful part, or overall confidence with the material.

### Format Option #2: Summary and Feedback

- Write a paragraph summarizing what you read or heard.
- Write a paragraph describing your main take-aways and/or questions about the material.

## Grading Criteria:

- To receive full credit you must show that you have read the text (and watched the videos, if assigned) by discussing specific parts of the reading (and videos) in a significant way.
- Partial credit (8/10) is given if the reading (or videos) are discussed in some way.
